## INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE UNITHOLDERS OF HSBC SAUDI COMPANIES EQUITY FUND (MANAGED BY HSBC SAUDI ARABIA)

### Introduction

We have reviewed the accompanying interim condensed statement of financial position of HSBC Saudi Companies Equity Fund (the "Fund") managed by HSBC Saudi Arabia (the "Fund Manager") as at 30 June 2021, and the related interim condensed statements of comprehensive income, changes in equity attributable to the unitholders and cash flows for the six-month period ended 30 June 2021, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the kingdom of Saudi Arabia.

### Other matter

The financial statements of the Fund for the year ended 31 December 2020 were audited by another auditor who expressed an unmodified opinion on those financial statements on 8 April 2021. Further, the interim condensed financial statements of the Fund for the six months period ended 30 June 2020 were reviewed by another auditor who expressed an unmodified review conclusion on those interim condensed financial statements on 24 August 2020.

### 3. BASIS OF PREPARATION AND CHANGES TO ACCOUNTING POLICIES

#### 3.1. *Basis of preparation*

These interim condensed financial statements for the six-month period ended 30 June 2021 have been prepared in accordance with International Accounting Standard 34 “Interim Financial Reporting” (“IAS 34”) as endorsed in the kingdom of Saudi Arabia.

The unaudited condensed financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the Fund’s annual financial statements as at 31 December 2020.

The interim condensed financial statements have been prepared on a historical cost basis, using the accrual basis of accounting except for financial assets held at FVTPL that are measured at fair value. These interim condensed financial statements are presented in Saudi Arabian Riyals (“SR”), which is the Fund’s functional currency. All financial information presented has been rounded to the nearest SR.

#### 3.2 *New standards, interpretations and amendments*

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Fund’s annual financial statements for the year ended 31 December 2020, except for the adoption of new standards effective as of 1 January 2021. The fund has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective. Several amendments apply for the first time in 2021, but do not have an impact on the interim condensed financial statements of the fund.

#### 3. BASIS OF PREPARATION AND CHANGES TO ACCOUNTING POLICIES (continued)

##### 3.2 New standards, interpretations and amendments (continued)

*Interest Rate Benchmark Reform–Phase 2: Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16*

The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (“IBOR”) is replaced with an alternative nearly risk-free interest rate (“RFR”).

The amendments include the following practical expedients:

- A practical expedient to require contractual changes, or changes to cash flows that are directly required by the reform, to be treated as changes to a floating interest rate, equivalent to a movement in a market rate of interest
- Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued
- Provide temporary relief to entities from having to meet the separately identifiable requirement when an RFR instrument is designated as a hedge of a risk component

These amendments had no impact on the interim condensed financial statements of the Fund.

The Fund intends to use the practical expedients in future periods if they become applicable.

The last valuation day of the period was 30 June 2021 (year ended 31 December 2020: 31 December 2020).

#### 11. IMPACT OF COVID-19 ON THE INTERIM CONDENSED FINANCIAL STATEMENTS

During March 2020, the World Health Organisation (“WHO”) declared the Coronavirus (“COVID-19”) outbreak as a pandemic in recognition of its rapid spread across the globe. This outbreak has also affected the GCC region including the Kingdom of Saudi Arabia. Governments all over the world took steps to contain the spread of the virus. Saudi Arabia in particular has implemented closure of borders, released social distancing guidelines and enforced country wide lockdowns and curfews.

In response to the rapid spread of the virus and the resulting disruption of some social and economic activities and business continuity, the Fund Manager has taken a series of preventive and precautionary measures, including activating of remote work to ensure the safety of its employees and their families.

The impact of the pandemic on the Fund’s operations and financial results till the date of the interim financial statements has been reflected in the net assets value and investments value. These developments could further impact our future financial results, cash flows and financial condition and the Fund Manager will continue to assess the nature and extent of the impact on its business and financial results.

#### 12. APPROVAL OF THE INTERIM CONDENSED FINANCIAL STATEMENTS

These interim condensed financial statements were approved by the Fund’s management on 7 Muharram1443H (corresponding to 15 August 2021).
