REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS

To: **The Unitholders**
HSBC Saudi Freestyle Equity Fund
Riyadh, Kingdom of Saudi Arabia

Scope of Review

We have reviewed the accompanying interim balance sheet of **HSBC Saudi Freestyle Equity Fund** (the "Fund") managed by HSBC Saudi Arabia Limited (the "Fund Manager") as at 30 June 2016, the related interim statements of income, cash flows and changes in net assets attributable to unitholders for the six-month period then ended and the notes to the interim condensed financial statements from (1) to (11) which form an integral part of these interim condensed financial statements. These interim condensed financial statements are the responsibility of the Fund Manager and have been prepared by them and submitted to us together with all the information and explanations which we required. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

We conducted our review in accordance with the Standard on Review of Interim Financial Reporting issued by the Saudi Organization for Certified Public Accountants (SOCPA). A review consists principally of applying analytical procedures to financial data and information and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying interim condensed financial statements for them to be in conformity with accounting standards generally accepted in the Kingdom of Saudi Arabia.
